CAMP STAFF

The Crimson Storm soccer camps are led by SNU Head Men's Soccer Coach, Trevor Harmon, and Women's Head Coach, Julie Duncan. Varsity players from both of SNU's men's and women's soccer teams will also provide coaching throughout the camps.

Trevor Harmon - Head Men's Soccer Coach

Harmon just completed his second year as the head coach of the men's soccer program. In his first season in 2018, he was named the GAC Coach of the Year after leading SNU to 6 wins and a 3-3 record in GAC play. He spent 2017 coaching the women's soccer program at Redlands CC. He helped the Cougars to an 8-8 record in their inaugural season with a roster made up entirely of freshmen. He helped the team to a third place finish in the NJCAA, and coached two All-Region players.

Julie Duncan - Head Women's Soccer Coach

Duncan just completed her 11th season as the head coach of the Crimson Storm. In 2014, Duncan coached the Crimson Storm to the Great American Conference Champions in the regular season and SNU was also the GAC Tournament runner-up that same year. In 2012 SNU reached the NCCAA National Championship game. Duncan played at SNU, scoring 31 goals with 15 assists while helping SNU to a 51-8-1 record during her three years playing at Southern Nazarene.
